CINDERVOID SPARK CODEX

Spark Powers gained Every Level - Multi-Spark Starts after completion of 1st Spark

Additional Powers May be Granted in Game by DM

Unfocused Powers: (0 Jinx Cost):

1. **Self-Sustenance:** No longer requires eating or drinking.
2. **Preemptive Strike:** Can attack first without initiative. Turn order is then clockwise from your position. If more than one person attempts to enact Preemptive Strike, the player with the highest Aura Stat goes first.
3. **Heightened Senses:** +3 to all Listen and Spot checks.
4. **Mirror Blade:** Your single weapon in your dominant hand duplicates and extends to your other hand. This gives you the ability to dual wield these weapons without taking untrained penalties.
5. **Acrobatic Flourish:** Able to perform simple to medium difficulty acrobatic maneuvers without having to perform a chance roll. Does not negate chance rolls others involved in the maneuver/activity may have to roll.
6. **Bountiful Feast:** Can create an instant feast of food on any flat surface once per day per level. +10xp for feeding the poor or hungry.
7. **Compelling Presence:** Add Resilience to your diplomacy checks. Stacks with Aura Stat.
8. **Surge:** Can double land/air/water speed for 1D4 hours outside of combat or 1D10 in combat.
9. **Adrenaline Burst:** +3 to your Celerity stat for the length of the encounter.
10. **Truth Seeker:** Can tell if someone is lying or not *(this is not automatic; you have to enact prior to hearing the answer).*
11. **Opportunist:** Adds Cognition to any Successful Critical Attack before the multiplier.
12. **Nature's Sight:** Able to view the world through the eyes of an animal companion (*requires a companion to take this power).*

13. **Cognitive Boost:** +3 to Cognition Stat for the length of the encounter.
14. **Giant's Might:** +3 to Might Stat for the length of the encounter.

Radiant Powers:

1. **Radiant Strike:** The ability to generate and manipulate concentrated beams of light energy for offensive purposes. D10 Damage. 5 Jinx.
2. **Aegis of Light:** The ability to create a field of light energy that can deflect or absorb incoming attacks. Adds HP20. 5 Jinx.
3. **Luminous Barrier:** The ability to generate a wall of light energy that can protect oneself or others from harm. 1D4 rounds or HP of 50. 15 Jinx.
4. **Shimmering Veil:** The ability to bend light around oneself to become invisible or appear in different locations. 1D6 rounds. 10 Jinx.
5. **Laser Beam:** The ability to generate a continuous beam of light energy that can cut through solid objects. 2D8 Damage. 10 Jinx.
6. **Blinding Pulse:** The ability to release a burst of light energy that can disorient or stun opponents. 5 Jinx.
7. **Photonic Constructs:** The ability to create and manipulate physical objects made of light energy. 20 Jinx.
8. **Healing Radiance:** The ability to channel light energy into someone to heal their wounds or ailments. Heals 1D4 HP x Character Level. 10 Jinx.
9. **Weapon of Dawn:** Able to summon a weapon made of light. You can choose the weapon type as long as you have the required proficiency *(requires Luminous Armor)*. D20 Damage. *Cannot critical miss with this weapon.* 15 Jinx.
10. **Luminous Armor:** Able to summon armor made of light. HP of 40 *(requires Aegis of Light).* 10 Jinx.

Proximus Powers - (requires Mastery of any 1 spark to begin):

1. **Phase Step:** Can teleport to a square adjacent to an enemy as a standard combat action. Outside of combat, you can teleport 20ft. 10 Jinx.
2. **Spatial Tracking:** The ability to sense and track the location and movements of other teleporters. 5 Jinx.
3. **Warping Barrier:** The ability to create a field that prevents teleportation within a certain area. Can only have one active barrier at a time. 5 Jinx.
4. **Group Warp:** The ability to extend one's teleportation abilities to objects or people in close proximity. Can take up to 3 other people along with yourself. You are required to teleport yourself to the same location when extending to others. 15 Jinx.
5. **Precognitive Warp:** The ability to scan and gather information about a location before teleporting there. 15 Jinx.
6. **Recall Object:** The ability to recall objects or weapons after thrown, dropped, taken, etc. They must be owned by the player or an ally to use this ability. Can be recalled to self or can recall objects to party members. Party members will immediately drop anything they are carrying in favor of the teleported object. 5 Jinx.
7. **Mass Teleport:** Can teleport self or party member to a square adjacent to an enemy as a free action. Outside of combat, you can teleport up to 75 ft. *(Requires Phase Step).* 20 Jinx.
8. **Echo Duplicate:** The ability to create a duplicate of oneself or others by teleporting a copy to a different location. (Duplicate is controlled fully by player after the "real" character's turn. Duplicates last D6 turns beginning at start of its first turn). 15 Jinx.
9. **Planar Shift:** Can teleport self and party to an adjacent Realm of Existence. Can only be used to move to an adjacent Realm. Once there, you can no longer teleport again until you return to your starting Realm. *(Requires Mass Teleport*). 25 Jinx.
10. **Teleport Redirection:** The ability to redirect the path of a teleportation to a different location. 10 Jinx.

Pyremancer Powers:

1. **Combustion Ignite:** Able to power small combustion or steam devices/engines/contraptions. 5 Jinx.
2. **Flame Bolt:** The ability to project bursts of fire from a hand or Eye. D10 Damage. 5 Jinx.
3. **Pyro Absorption:** The ability to absorb and neutralize fire. Once per day per Level. 5 Jinx.
4. **Fiery Aura:** The ability to surround oneself with a protective aura of fire. HP 20. 10 Jinx.
5. **Pyro Blast:** Ability bursts out of hands or eyes. 2D10 Damage *(Requires Flame Bolt).* 10 Jinx.
6. **Inferno Flight:** The ability to fly or levitate by generating thrust with flames *(Requires Pyro Blast*). 20 Jinx.
7. **Wall of Cinder:** Create a wall of fire for 1D10 rounds. The wall can be a maximum of 25ft by 10ft. 15 Jinx.
8. **Molten Touch:** Can melt objects for a variety of casting reasons (jewelry, bullets, etc). 10 Jinx.
9. **Incandescent Form:** Turn yourself into a flame. While in this state, take no damage, but unable to attack or move. 15 Jinx.
10. **Blaze Weapon:** A prismatic flame lines your weapon, adding D20 damage to existing weapon damage *(Requires Inferno Flight).* 10 Jinx.

Aerotec Powers:

1. **Atmospheric Control:** The ability to manipulate the air and create various weather phenomena such as wind, rain, and minor lightning. 5 Jinx.
2. **Wind Gust:** Slam your target with a gust of air doing D8 damage and pushing the target back 1 square. 5 Jinx.

3. **Tempest Summoner:** The ability to create storms, including thunderstorms and tornadoes *(Requires Atmospheric Control).* 15 Jinx.
4. **Aerial Ascent:** 1D6 rounds during combat. Able to fly during non-combat actions for up to 1D20 minutes before needing a short rest *(Requires Wind Gust).* 20 Jinx.
5. **Feather Fall:** Use a Wind Gust to negate standard fall damage. 5 Jinx.
6. **Turbulent Vortex:** Creates a whirlwind around an opponent doing D12 damage and causing any enemies in an adjacent space to be knocked down *(requires Wind Gust).* 10 Jinx.
7. **Silent Passage:** Make no Sound while moving for 1D6 rounds. 10 Jinx.
8. **Thunderclap:** Make a loud Thundering sound that deafens anyone who fails a standard defense roll. 15 Jinx.
9. **Elemental Ward:** Able to ignore all element and weather effects for 1D20 Rounds. 10 Jinx.
10. **Aether Armor:** A swirling armor shaped winds cover your body. HP of 40 *(Requires Aerial Ascent).* 5 Jinx.

Mindfire Powers:

1. **Shared Cognition:** Absorb the power of another protector by touch. Can only absorb 1 power at a time. When the next power is taken, the previous power is unusable. 10 Jinx.
2. **Psychic Ward:** Will Summon a Gem shaped transparent shield that will take damage up to 20 HP. 15 Jinx.
3. **Telekinetic Force:** The ability to unleash a burst of telekinetic energy for D8 damage and moving the target 1 square back. 5 Jinx.
4. **Kinetic Barrier:** The ability to create a telekinetic shield or barrier to protect oneself or others. HP20. 10 Jinx.
5. **Cognitve Flight:** 1D6 rounds during combat. Able to fly during non-combat actions for up 1D4 hour before needing a short rest *(Requires Telekinetic Force).* 20 Jinx.

6. **Telekinetic Grip:** The ability to telekinetically grasp and hold onto objects or opponents. The target loses the next turn. 10 Jinx.
7. **Kinetic Havoc:** The ability to create chaos and destruction with telekinetic energy. Causing D20 damage *(Requires Cognitive Flight).* 15 Jinx.
8. **Mindfire Mending:** The ability to use telekinetic energy to repair or heal living tissue. Restores 10HP. 5 Jinx.
9. **Invisible Mind:** The ability to use telekinetic energy to bend light and become invisible to the naked eye for 1D6 rounds. 10 Jinx.
10. **Master Persuader:** Gains +10 to any percentile roll. 5 Jinx.

Kineticist Powers:

1. **Retribution:** Able to reflect a target's attack back to the attacker after being hit. Acts as an Attack of Opportunity when enacted. 15 Jinx.
2. **Blood Fury:** Automatically go to the closest target and get an attack of opportunity when you knock out or kill a target *(Can you continue to use Blood Fury if you kill that target as well, but costs Jinx every time you use it).* 10 Jinx.
3. **Boomerang Throw:** Able to throw a melee weapon at an enemy and have the weapon fly back to you even if you miss for standard weapon damage. 5 Jinx.
4. **Handvils:** Turn your hands to large Anvils doing D10 damage each *(Does not require Mirrored Blade to dual wield).* 5 Jinx.
5. **Ironclad Skin:** Turn your body into Iron taking 50 HP before returning to natural state *(Requires Handvils).* 15 Jinx.
6. **Wall Crawler:** Able to crawl up the side of sheer wall or another surface (requires Acrobatic Flourish). 5 Jinx.
7. **Double Take:** Can double your Actions Per Turn and lasts until the end of encounter *(prerequisite Handvils).* 10 Jinx.
8. **Encore:** When you hit an opponent for Critical damage, automatically get an immediate Attack of Opportunity. 10 Jinx.

9. **Adamantine Shell:** Your skin changes into an impenetrable metal shell for 1D4 rounds *(requires Ironclad Skin).* 25 Jinx.
10. **Finishing Blow:** When a target's HP is lower than 10% of total HP, can perform a finishing move of player's choice (if rational and technically possible) that provides an instant kill *(requires Blood Fury).* 10 Jinx.

Tempest Powers:

1. **Static Discharge:** Ability to generate and discharge electricity from the body, capable of stunning or incapacitating enemies for 1D4 rounds to any adjacent target. 5 Jinx.
2. **Lightning Jolt:** Ability to unleash a bolt of lightning from the hands or fingertips, capable of causing severe damage to enemies. D10 Damage. 5 Jinx.
3. **Electrostatic Field:** Ability to create a field of electricity around the body, capable of deflecting or absorbing attacks. HP of 50. 15 Jinx.
4. **Volt Flight:** Ability to fly by propelling oneself with electricity. 25 Jinx.
5. **Voltage Surge:** Ability to increase the voltage of electricity in the body, causing increased 1D8 + 1D4 damage to a target *(Requires Lightning Jolt).* 10 Jinx.
6. **EMP Burst:** Ability to disrupt electronic/mechanical devices and systems with a burst of electricity. 5 Jinx.
7. **Electric Regeneration:** Ability to use electricity to speed up the healing process. Heals 15 HP over 3 turns. 5 Jinx.
8. **Spark Link:** Ability to communicate telepathically through electrical signals. 5 Jinx.
9. **Amped Up:** Increase all Stats by 1 for the length of the Encounter. 10 Jinx.
10. **Thunder Strike:** D10 + D6 damage to target up to 25ft away *(Requires Voltage Surge).* 15 Jinx.

Vitalum Powers:

1. **Shadow Mender:** Heal the target for 50 hp, then they lose D8 HP for 3 rounds. 10 Jinx.
2. **Soul's Atonement:** Heals self for 20 HP *(Requires Healing Bloom).* 10 Jinx.
3. **Sustaining Mist:** Heal the target for 5 hp every round until you target someone else with a spell or attack. All other healing spells cast by you targeting the creature affected by Sustaining Mist become Bonus actions. 15 Jinx.
4. **Chain of Restoration:** Heal someone for 15 hp. Then roll a d100. 50+, repeat this process with a different target up to 2 additional targets. 15 Jinx.
5. **Guardian Spirit:** Target an ally. When they drop to 0 hp, they regain half their total hit points *(Requires Healing Bloom).* Only one ally may be guarded at any time. 15 Jinx.
6. **Healer's Boon:** Whenever you heal an ally, you heal for 3 HP. 5 Jinx.
7. **Summon Erelight:** Once EVER, can summon an Seraph. Type of Seraph is chosen at random or by DM. ALL REMAINING JINX 50 Jinx (min.)
8. **Healing Bloom:** Cures 1D8 hp x Level. 10 Jinx.
9. **Defy Death:** If an individual goes to -10 HP, they would usually die; however, using this ability, a player can postpone another's death for up to 1 hour. If the target is healed to 0 before the hour, they suffer no effects. If they are not healed up to 0 before the hour, they die as normal. 15 Jinx.
10. **Redemption's Call:** Can re-roll any type of failed roll for another chance, Once per day per level. 5 Jinx.

Hydromancy Powers:

1. **Water Jet:** A blast of water comes from hands doing D8 damage. 5 Jinx.
2. **Ice Shard:** Shoots a frozen spike out of your hand doing D10 damage. 10 Jinx.

3. **Shark Maw:** Your head magically turns into a Shark's head doing bite damage of D10. 10 Jinx.

4. **Freeze Solid:** Can freeze an opponent for 1D6 rounds *(requires Ice Shard).* 10 Jinx.

5. **Nature's Embrace:** Flood plants with water to make them grow and attack/restrain targets. D10 damage and the target is restrained until next turn (Requires Water Jet). 10 Jinx.

6. **Aquaform:** Can Sprout Gills to breathe underwater, skin turns into scales, and feet web. 15 Jinx.

7. **Ink Cloud:** Can shoot an inky substance from the mouth to blind a target for 1D4 rounds. 5 Jinx.

8. **Geyser Blast:** Can shoot water from a magically appearing blowhole from the top of your head for D12 Damage *(Requires Water Jet or Shark Maw).* 15 Jinx.

9. **Glacial Armor:** Can create armor of Ice for Self or Party member. Takes 50 HP damage before destroyed. 10 Jinx.

10. **Frosted Edge:** Frost any weapon you carry to add D20 damage to existing weapon damage *(Requires Freeze Solid or Geyser Blast).* 20 Jinx.
